

AIR TRANSPORTATION

<i>Grant #</i>	<i>Title</i>	<i>Federal Agency</i>	<i>Objectives</i>
20.106	Airport Improvement Program	FAA, DOT	To assist sponsors, owners or operators of public-use airports in the development of a nationwide system of airports adequate to meet the needs of civil aeronautics
20.607	Alcohol Open Container Requirements	National Highway Traffic Safety Administration, DOT	To encourage States to enact and enforce an alcohol open container law
20.701	University Transportation Centers Program	Research & Special Programs Administration, DOT	To provide grants to nonprofit institutions of higher learning for the purpose of establishing and operating university transportation centers that conduct research, education & technology transfer programs concerning regional and national transportation issues
20.900	Transportation-Consumer Affairs	Office of the Secretary, DOT	To improve service provided to the public by U.S. and foreign air carriers
20.901	Payments for Essential Air Services	Office of the Secretary, DOT	To assure that air transportation is provided to eligible communities by subsidizing air carriers when necessary to provide service
20.907	Minority Institutions (MI)	Office of the Secretary, DOT	The Office of Small & disadvantaged Business Utilization supports the efforts of the DOT to increase the participation of minority institutions in Federally funding programs. This program uses the resources of MIs to develop a training and technical assistance program designed to enhance small women-owned and disadvantaged business enterprises (S/SO/DBEs) to compete successfully for DOT contracts and on DOT-funded projects. In addition, this program is geared towards attracting more of the nation's young talent into the transportation-related careers through academic courses and practical experience.
20.920	Transportation Statistics Research Grants	Bureau of Transportation Statistics, DOT	To support development of the field of transportation statistics and advance research
88.001	Architectural & Transportation Barriers Compliance Board	Architectural & Transportation Barriers Compliance Board	To enforce Federal laws requiring accessibility for persons with disabilities in certain federally funded buildings and facilities throughout the Nation; set guidelines and requirements for accessibility standards prescribed by Federal agencies. Provide technical assistance and training on its design guidelines and standards to organizations, agencies, and individuals; and to conduct research to determine appropriate specifications for accessibility

MISCELLANEOUS GRANTS

<i>Grant #</i>	<i>Title</i>	<i>Federal Agency</i>	<i>Objectives</i>
11.431	Climate & Atmospheric Research	National Oceanic & Atmospheric Administration, Dept. of Commerce	To develop the knowledge required to establish a predictive capability for short and long-term climate fluctuations and trends
12.401	National Guard Military Operations & Maintenance (O&M) Projects	National Guard Bureau, DOD	. . . 6. ARNG Aviation Training Base Operation – provide Federal support for services provided by the States for Air Traffic Control (ATC) Service, Airport Service Agreements, and Aircraft Rescue Fire Fighting (AFF), . . .
15.064	Structural Fire Protection – Bureau of Indian Affairs Facilities	Bureau of Indian Affairs, Dept. of the Interior	To provide for the installation of fire protection and prevention equipment in schools, dormitories, detention centers and other BIA facilities
20.100	Aviation Education	FAA, DOT	To promote “Aviation Knowledge through Education”; create a public awareness of the need to promote the development and enhancement of education in aviation; establish a civil aviation information distribution program within each region and center of the FAA; promote “safety in the skies through aviation education”; create “career awareness” in aviation at the elementary and secondary educational levels; prepare qualified individuals to meet the future need of aviation; stimulate public and private sector initiative in meeting the American and worldwide competitive challenge in science and technology; aid educators by providing aviation information they can readily use in their normal classroom curriculum or in special classroom projects, to improve communication skills, math, science, technology, and computer literacy as it relates to aviation; and help educators identify the learning needs of our society in this rapidly changing technological era
20.107	Airway Science	FAA, DOT	To assist recognized colleges and/or universities in the need for facilities and equipment for Airway Science (AWS) curriculum students
20.108	Aviation Research Grants	FAA, DOT	To encourage and support innovative, advanced, and applied research and development in areas of potential benefit to the long-term growth of civil aviation
20.109	Air Transportation Centers of Excellence	FAA, DOT	To conduct long-term continuing research in specific areas of aviation related technology. Responsibilities of Centers may include the conduct of research concerning catastrophic

			failure of aircraft, airspace and airport planning and design, airport capacity enhancement techniques, human performance in the air transportation environment, aviation safety and security, the supply of trained air transportation personnel including pilots and mechanics, and other aviation issues pertinent to developing and maintaining a safe and efficient air transportation system, and the interpretation, publication , and dissemination of the results of such research
20.503	Federal Transit Managerial Training Grants	Federal Transit Administration, DOT	To provide fellowships for training of managerial, technical, and professional personnel employed in the transit field
20.930	Payments for Small Community Air Service Development	Office of the Secretary, DOT	To help smaller communities enhance their air service and increase access to the national transportation system
39.002	Disposal of Federal Surplus Real Property	General Services Administration	To dispose of surplus real property by lease, permits, sale, exchange, or donation
39.003	Donation of Federal Surplus Personal Property	General Services Administration	To donate Federal personal property no longer required for Federal use to public agencies and qualifying nonprofit entities in order to reduce the cost of State and local government
43.001	Aerospace Education Services Program	National Aeronautics and Space Administration	NASA's Aerospace Education Services Program (AESP) is a specialized group of educators using NASA's unique assets to support local, state, regional and national mathematics, science, and technology education systemic change efforts through collaboration of internal and external stakeholders in high-impact activities. This well-trained, well-informed and well-equipped workforce uses the NASA Mission and Vision to support increased instruction in mathematics, science, and technology content, enhance pedagogical skills, and address equity issues
97.069	Aviation Research Grants	Dept. of Homeland Security	To encourage and support innovative, advanced, and applied research and development in areas of potential benefit to the long-term growth of civil aviation security
66.500	Environmental Protection-Consolidated Research	Environmental Protection Agency	Support research (1) to determine the environmental effects of air quality, drinking water, water quality, hazardous waste, toxic substances and pesticides; (2) to identify, develop and demonstrate necessary and effective pollution control techniques; and (3) to explore and develop strategies and mechanisms for those in the economic, social, governmental and environmental systems to use in environmental management decisions.

OTHER POSSIBLE GRANT FUNDING

<i>Grant #</i>	<i>Title</i>	<i>Federal Agency</i>	<i>Objectives</i>
97.001	One-Time Projects	Dept. of Homeland Security	To provide funding that has been designated by Congressionally appropriated funding level, generally to a specified entity for a project, or to provide one-time funding for a one-time program or project identified by a DHS program office. This category is not for unsolicited proposals. Competitive programs will be posted using the Grants. Gov FIND solicitation process under the appropriate assigned CFDA. Grants.gov can be accessed at www.grants.gov . If the funding is continued after the initial appropriation, the program will be assigned a CFDA number.
97.002	Research Projects	Dept. of Homeland Security	To provide funding that has been designated by Congressionally appropriated funding level, generally to a specified entity for a research project, or to provide one-time funding for a one-time research program or project identified by a DHS program office. This category is not for unsolicited proposals. Competitive programs will be posted using the Grants. Gov FIND solicitation process under the appropriate assigned CFDA. Grants.gov can be accessed at www.grants.gov . If the funding is continued after the initial appropriation, the program will be assigned a CFDA number.
97.008	Urban Areas Security Initiative	Dept. of Homeland Security	To enhance local emergency, prevention and response agencies' ability to prepare for and respond to threats or incidents of terrorism involving weapons of mass destruction (WMD). This program will also enhance selected mass transit authorities' protection of critical infrastructure and emergency preparedness activities.
97.017	Pre-Disaster Mitigation (PDM) Competitive Grants	Dept. of Homeland Security	The intent of this program is to provide a consistent source of funding to state, tribal, and local governments for pre-disaster mitigation planning and projects primarily addressing natural hazards. Funding these plans and projects reduces overall risks to populations and structures and also reduces reliance on funding from actual disaster declarations.
97.021	Hazardous Materials Assistance Program	Dept. of Homeland Security	Provide technical and financial assistance through the States to support State, local and Indian tribal governments in oil and

			hazardous materials emergency planning and exercising. To enhance State, Tribal, and local governments capabilities to inter-operate with the National Response System (NRS). To support the Comprehensive Hazardous Materials (Hazmat) Emergency Response – Capability Assessment Program (CHER-CAP) Activities.
97.027	Emergency Management Institute (EMI)-Independent Study Program	Dept. of Homeland Security	To enhance public and selected audience knowledge of emergency management practices among officials of State, local and tribal governments and voluntary organizations in response to emergencies and disasters. The program currently consists of 43 courses.
97.038	First Responder Counter-Terrorism Training Assistance	Dept. of Homeland Security	To enhance the capabilities of first responders in managing the consequences of terrorist acts.
97.047	Pre-Disaster Mitigation	Dept. of Homeland Security	To provide States and communities with a much needed source of pre-disaster mitigation funding for cost-effective hazard mitigation activities that are part of a comprehensive mitigation program, and that reduce injuries, loss of life, and damage and destruction of property.
97.051	State and Local All Hazards Emergency Operations Planning	Dept. of Homeland Security	The purpose of the S/L Emergency Ops Planning program is to supplement and assist State and local efforts to prepare themselves to respond to emergencies or disasters including any that may be caused by terrorist attacks using conventional means or WMD. Such preparedness requires an extraordinary level of inter-service and inter-jurisdictional planning and coordination. The program provides grants to the States to encourage the development or updating of comprehensive, all-hazard emergency management plans by the States and by local governments. The requisite planning base supports and promotes efforts to establish lasting working relationships and facilitates the development of a common incident command system, general availability of interoperable communications, and effective mutual aid. In partnership with the Federal Government, strong emergency management and emergency services organizations at the State and local levels ensure the continuance of a comprehensive national emergency management system for disasters or emergencies resulting from natural disasters or accidental or man-made events.
